

Mission of Deeds is a non-profit organization providing new beds and gently-used furniture and household items free of charge to individuals and families in need in Middlesex and Essex counties.

The MOD Yard Sale is Back!

We often receive donated items that are not suitable for clients but have monetary value. As a fundraiser to buy new beds and fund the general operations of the organization, we hosted yard sales in the past. Due to COVID, we have not had a yard sale since 2019. This is not your typical yard sale. All items are high quality and available at bargain prices. Hundreds of people have attended the yard sale in the past. We even had a line forming before we officially opened. We will also have a portion online to broaden our reach.
